Kristine –

Please find attached a preliminary draft list of major LWG issues regarding EPA's July 8, 2014 draft of revised FS Section 1. We are providing this initial list to facilitate the start of EPA and LWG discussions to resolve outstanding issues on EPA's draft section before the 30-day resolution period ends. This list is preliminary and could change based on further LWG review of the section.

Jen Woronets will be contacting you to arrange for a time next week to meet and discuss these Section 1 issues.

In the meantime please let us know if you have any questions.

Thanks.

Carl
